INVICTUS

Out of the night that covers me,
Black as the pit from pole to pole,
I thank whatever gods may be
for my unconquerable soul
In my fell clutch of circumstance
I have not winced nor cried aloud.
Under the bludgeonings of chance
My head is bloody but unbowed.
Beyond this place of wrath and tears
looms but the horror of the shade,
And yet the menace of the years
finds, and shall find me, unafraid.
It matters not how strait the gate,
how charged with punishments the scroll,
I am the master of my fate:
I am the captain of my soul.

Homecoming

Disney Marches In Chicago

This year's theme for Homecoming 1986 was " When You Wish Upon a Star." During the parade, Kennedy students and faculty brought Disney alive throughout the neighborhood. We started our parade on Narragansett, went to 53rd st., took 53rd to Oak Park, circled Byrne Elementary school and returned to Kennedy by way of Archer Avenue. During our Parade people of all ages opened their doors and looked out of their windows to see our terrific Kennedy Band and beautifully decorated cars representing school organizations. The Homecoming Committee, headed by Tracey Swiatek and Joy Lingevitch, worked hard to make the parade a success, and it was. The Homecoming Parade was one of the most memorable and outstanding events of this year's Homecoming.

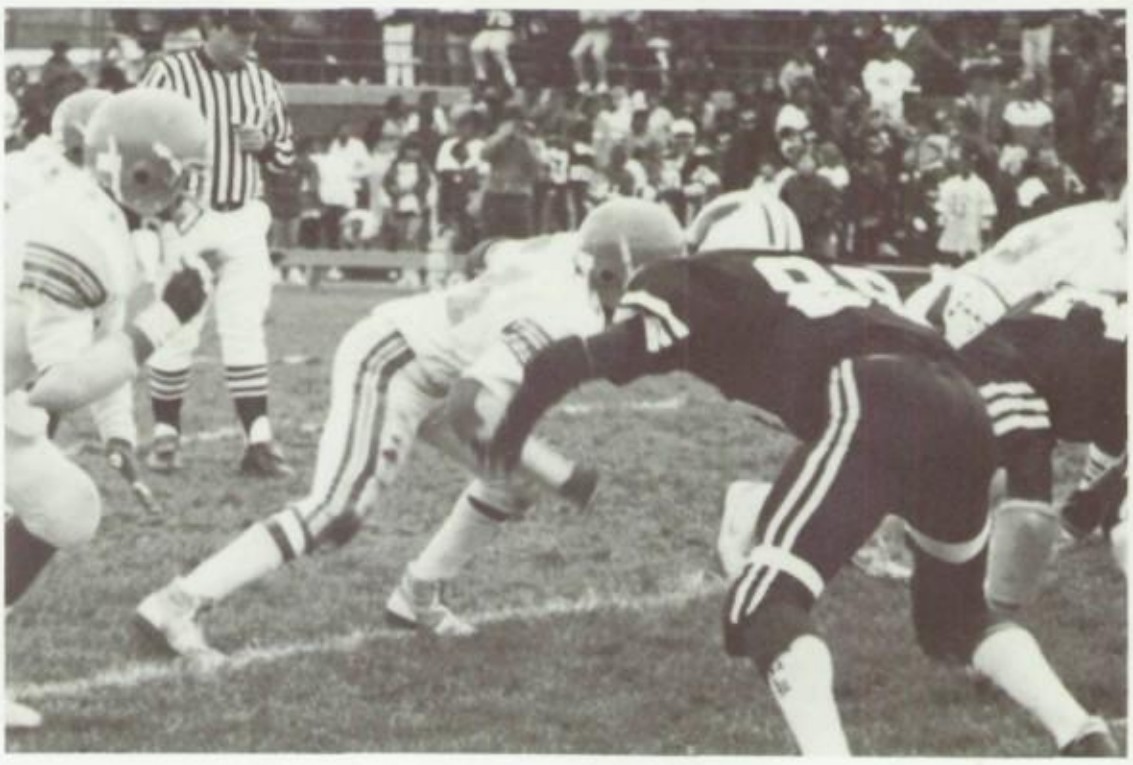
Crusaders Battle Gage



The morning of October 16, 1986, the day of Kennedy High School's Homecoming football game, was rainy and gloomy. Most of the students didn't seem to care as they participated enthusiastically in various pre-game events. By noon, the rain came to a halt, the sun came out and everyone went to Rockne Stadium to cheer on our football team. In the beginning, our team played a strong game, holding the other team back and running the ball for many yards. Unfortunately, when the quarter-back passed the ball, the receivers could not hold onto it. They ran the ball to the twenty and ten yard line and finally, it was first and goal. No matter how hard they tried, the team just could not get it into the end zone. At halftime, the majorettes and cheerleaders performed a routine on the field, while the players rested in the locker room. For the next two quarters, Gage Park took over, even though our players tried their hardest. Sadly, the final score was 6-0 in favor of Gage Park. The fans enjoyed the game and hold high hopes for next year.

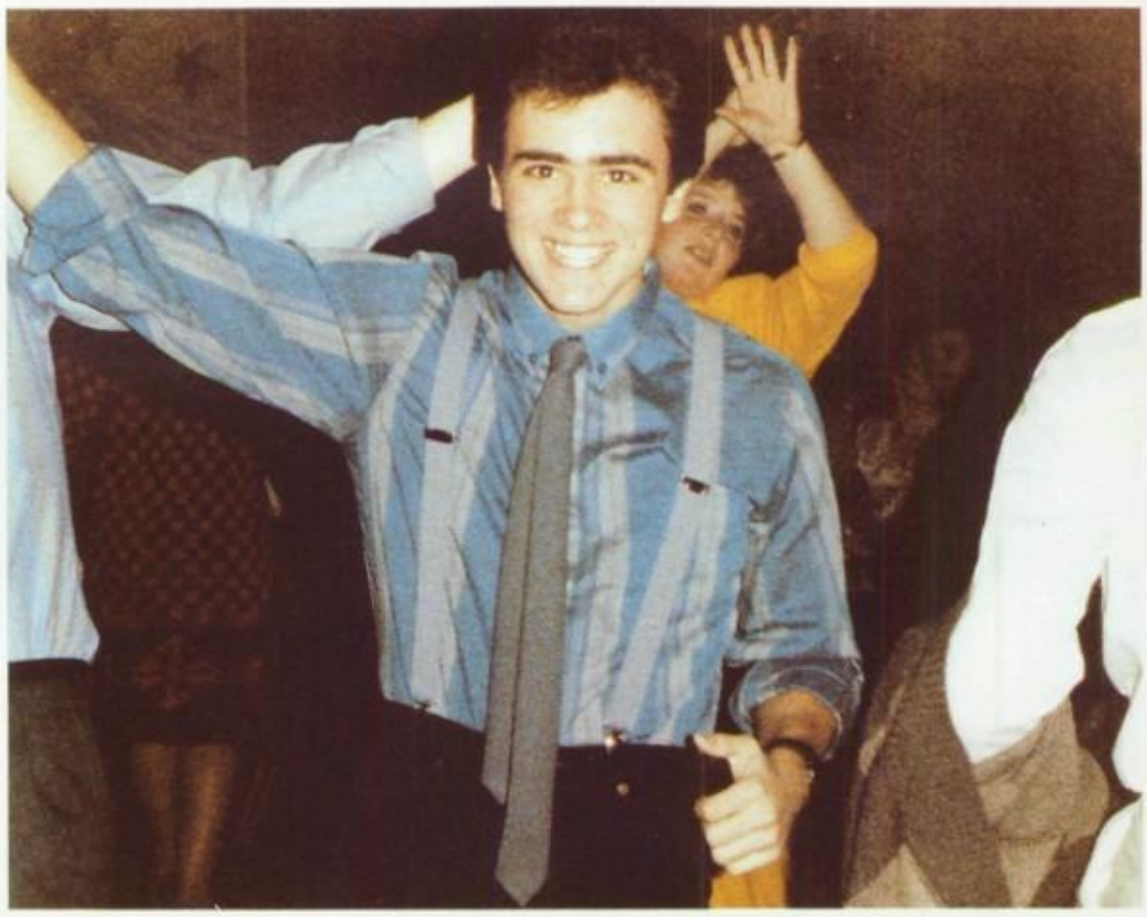
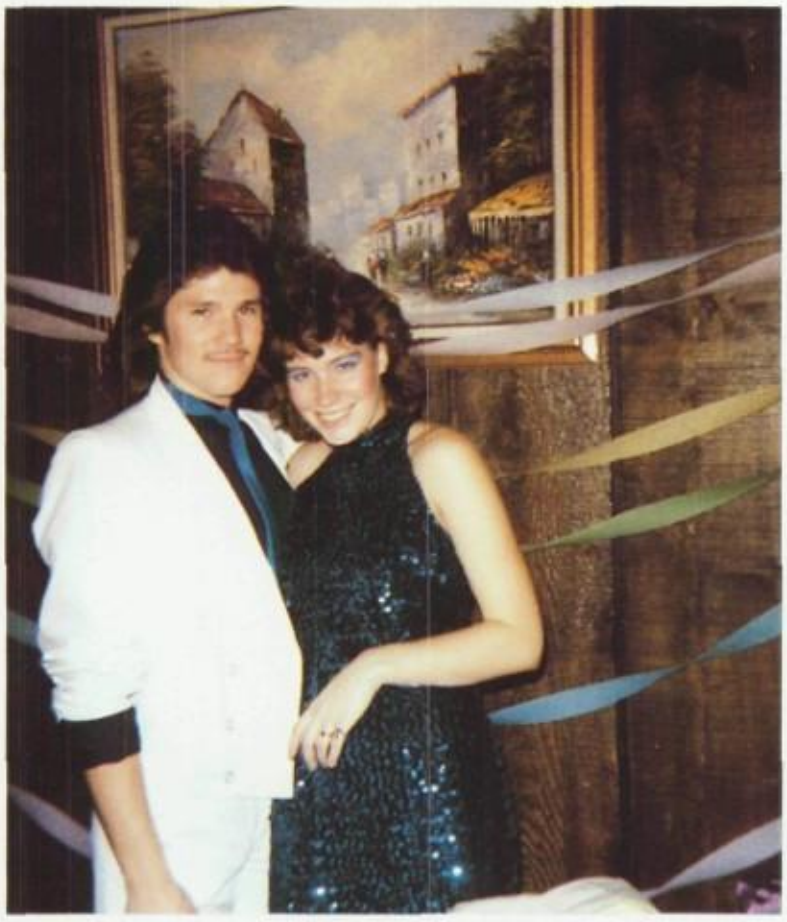
Homecoming Dance Closes Spirit Week





The 1986 Homecoming Dance, which held to the Homecoming theme, "When You Wish Upon A Star", was held on Friday, October 17th at the Palace Regency Hall. Students of Kennedy High School gathered to celebrate Homecoming "86". Even though we lost our Homecoming game, the students didn't seem to mind as they danced the night away to the music provided by the DJ's "Nitelife Unlimited." A great thanks goes to the Homecoming Committee and Co-chairpersons, Tracey Swiatek and Joy Lingevitch, for making this dance one that will always be remembered by all who attended.

Halftime Explodes

Even though the spectators of the Homecoming Game watched the defeat of our team by a score of 6-0, one thing they will always remember is the halftime festivities. The crowd was entertained by our cheerleaders and majorettes as well as the cheerleaders and majorettes of Gage Park. Then the 1986 princesses were announced. They were Rosa Ypez (Junior), Laura Aguirre (Sophomore) and Twana Mosely (Freshman). Halftime ended with the introduction of our 1986 Homecoming King and Queen, Mike Kinsley and Tina Matyskela. Congratulations to one and all!

Juniors Enjoy "Rhythm of the Night"

On Friday, May 9, 1986, the Class of 1987 met at the Sabre Room in Hickory Hills, Illinois to celebrate the end of their Junior year. The theme was "Rhythm of the Night" and the couples danced the night away listening to the entertainment provided by the D.J.'s, "Sound Trax." The Junior prom featured a disk jockey rather that a band continuing a tradition from last year. The junior class officers who were responsible for making the dance a success were: President, Darrin Norbut; Vice-president, Edwin Garza; Secretary, Tracey Swiatek and Treasurer, Lisa Kirk. Of course, none of thuis would have been possible without their sponsor, Ms. Griffin, who did a great job!

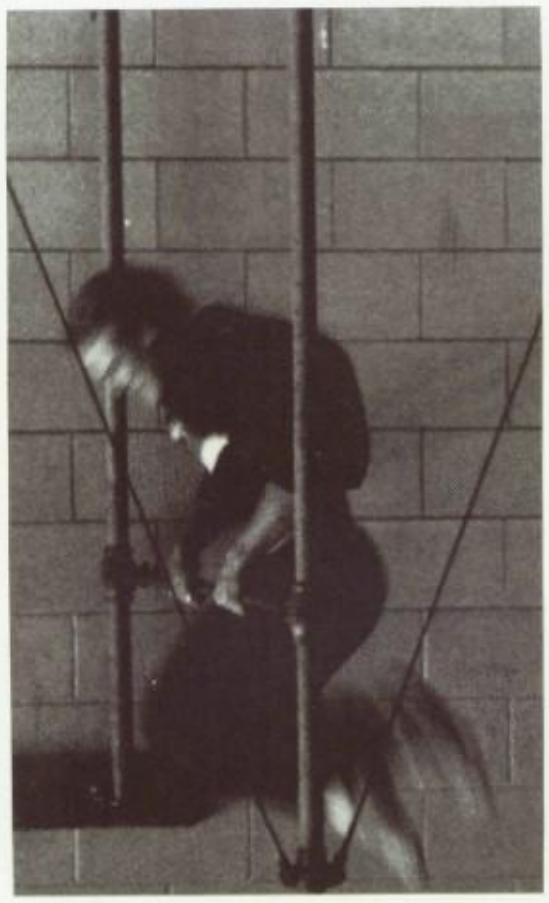
Superstars Shine



During Senior Superstars, which was held throughout the month of May, seniors competed as divisions for points in many activities including volleyball, tug-of-war, tennis and checkers. There were many senior divisions that competed fiercely for the title of "Superstar" but the title was won by division 613. This annual competition is a welcome break from the push for final averages and class rank that mark senior year.

Superstar chairperson was Sue Pocica; her assistants were Tracey Swiatek and Krista Travis. Miss Nolan sponsored the event and Mr. Butler, Mr. Cozzolino, Miss Curran, Mrs Daly, Mrs. Dorociak, Mrs. Foster, Mrs. Jasas, Miss Lange, Mrs Lemke and Mr. Sims assisted.

Parking Lot Dedication

The dedication of the new parking lot at Kennedy High School was held in the auditorium on October 3, 1986. The parking lot was dedicated to Fred Banks, who was a district supervising engineer for the Chicago Public Schools. Speaking at this ceremony were his widow and family, Senator Leroy Lemke, State Representative Robert Terzich, Alderman Krystyniak, District 32Superintendent, Dr. Grady Jordan, and principal Earl Bryant.

The new parking lot was a welcome improvement to Kennedy because the school needed a parking lot for the past twenty-five years. The lot where the parking lot is located was once owned by the park district. The Board of Education and the park district took many years of negotiation to finally strike a deal. To get the land, the Board opf Education had to trade some property on the far North side to be used as a park district play lot.

A New Arrival

Kennedy High School received Mrs. Mildred Porter this year, the new assistant principal. Mrs. Porter has a very impressive background. She has a bachelors degree in biology, a masters in biological science, and also a masters in administration and supervision. In addition, she would like to go back to get a doctorate. She started teaching in 1955 in Brownsville, Tennessee,at Carver High School. One of her students at Carver was the well known singer,Tina Turner. Since coming to Chicago in 1957, Mrs. Porter has taught both elementary and high school. She is cetified to teach grades 3-8 in grammar school and chemistry, general-and earth science in high school. In the past she has taught at HydePark, Englewood, Phillips, and Lindbloom High Schools. Mrs. Porter's interests include volunteer work, helping underprivileged people, fundraising, theatre, golf, and traveling. She states that she is always doing the best she can to help those who are less fortunate.

Mrs. Porter's goals at Kennedy are to lower the failure rate, improve test scores and reduce the drop out rate. She received the job here at Kennedy by reading about it through the —Superintendent's Bulletin—. She decided the job would be a new challenge so she applied, was interviewed and accepted. Her decision to apply for the assistant principal's position was the result of her desire for something new, something more exciting,after many years of teaching. The only thing she says that she misses about teaching is grading the papers. Her personal plans for the immediate future are to take the principal's exam in 1988. Mrs. Porter has done a great job in helping to run the school. She has been a welcome addition to the faculty.

This council is composed of an Excutive Board and a General Assembly. The members are divided into committees, each with its own specific purpose. These committees are: Academic Advisory, Assembly, Activity, Special Projects, and Publicity.

Since this is the first year ofthis council here at Kennedy, it is a time of organization and beginnings but next year there will be many projects from this organization.

Belonging to the Invictus Yearbook Staff brings both pride and frustrations. The frustration comes from the pressure of meeting deadlines, juggling the wealth of material and the limitations space, searching for the perfect picture and dealing with Murphy's Law--Whatever can go wrong, will. Fortunately, our sponsor, Mr. Jack Begy, and also our Editor -In - Chief, Tracey Swiatek are able to cope with all of this and still take on all of their other responsibilities. The day that the yearbooks arrive brings a satisfaction that cannot be equalled. Each staff member feels great pride in holding the book that they have helped to produce. This year, the yearbook was published using a professional level typesetting program similar to the type used on modern newspapers. The theme for this year's book, circus, was meant to remind the students of the happy times that they enjoyed as childrengoing to the circus and to bring to mind the happy times that happened this year.

Our school newspaper,The Profile, is written by a group of bright and creative students. When Profile was formed in 1965, the idea for the title came from a book written by President John F. Kennedy, —Profiles in Courage—. Over the years,The Profile has given students a chance to report, think and write and it has provided an outlet for the opinions and questions of both students and teachers.

The Profile staff is made of three groups--editors, news reporters and feature writers--and each group has an important part to play. The sponsor is Mrs.Barbara Julian who advises the student reporters and gives inspiration in times of crisis. The Editor-in-chief is Erin O'Donnell whose job is picking all incoming stories and proof reading them as well. At times, she will also write a story. Some reporters write the news stories and ask the students, teachers, and the people outside the school about the events that take place during the school year. Other reporters write feature stories for the enjoyment of all readers. —The Profile— is a very important and enjoyable part of the school.

The National Honor Society of Kennedy High School is made up of Kennedy's brightest and most active students. To be considered for membership in this illustrious organization, a candidate must be a junior or senior, have good grades, promote school spirit, be active in extra-curricular activities, have no major disciplines, and have good attendance.

The society also has a scholarship that it awards each year to a worthy senior. The funds for this scholarship are raised by holding a variety of fundraisers throughout the year. The group is sponsored by Ms. Maybelle Ryan.

Cheerleaders

The seven cheerleaders of Kennedy High School lead the crowds in support of our teams. When we are winning it is an easy task to keep up the morale of our teams, but when we're losing it is a harder job. They put a lot of work into learning their cheers and pyramids with the help of their sponsor, Mrs. Linda Dorociak and this year's co-captains, Sue Lave and Brandy Lynch.

Any Kennedy student can be a cheerleader as long as they are passing all their classes and they are willing to give up their free time for practice and to go to games. Each year before tryouts, the cheerleaders hold workshops to teach cheers to any who wish to be cheerleaders. The candidates are judged by a group of volunteer teachers. Everyone who tries out must learn two or three cheers.They must be very dedicated and loyal to the squad to come to early morning practices.

The Kennedy pom-pon majorettes keep the fans' spirits up at all football and basketball games by performing pom-pon routines at half-time. A lot of work goes into the routines and the results are terrific half-time shows.

Each year, sometime around late February, the majorettes hold workshops for those who wish to try out. At these workshops basic baton, a march, and a pom-pon routine are taught to those that are trying out. Besides knowing baton and pom-pon a majorette must be dedicated enough to come to practices every day and attend all football and basketball games.

The majorettes are sponsored by Mrs. Linda Dorociak and the 1986-1987 co-captains are Michelle Parr and Susan Calzada.

This year's softball team had an excellent year! Although the majority of the team were new players they did exceptionally well. The veteran players were: Joan Russo, Mary Aldworth, Nancy Kerril, Sue Lave, Karen Baumhardt, Nancy Izral, Latonya Jones, Brenda Martello, Michelle Christopher. There were an over abundance of girls who tried out for the team. They were all willing to do anything to make the team. They were aggressive and willing to take the insructions that were given to them by their coach, Mrs. Lemke.

The new players wrer put through several drills to show what their softball skills were. Some of the drills that Mrs. Lemke made them do were: Catch fly balls, ground balls, slide, bat and catch. The players that were able to show outstanding skills were: April Haynes who started as this years catcher Sue Lave as outfielder, and Joan Russo as the pitcher.

The team practices everyday for 3 hours to build up their endurance as well as skills. When it comes to practice Mrs. Lemke pushes the team as hard as she can to make good players out of them and she demands everyone to play to their best ability.

The turn out of girls at tryouts suprised Mrs. Lemke. She had more girls than she could use. Although the team lost their first game against Hubbard they were aggressive and showed good sportmanship throughout the season

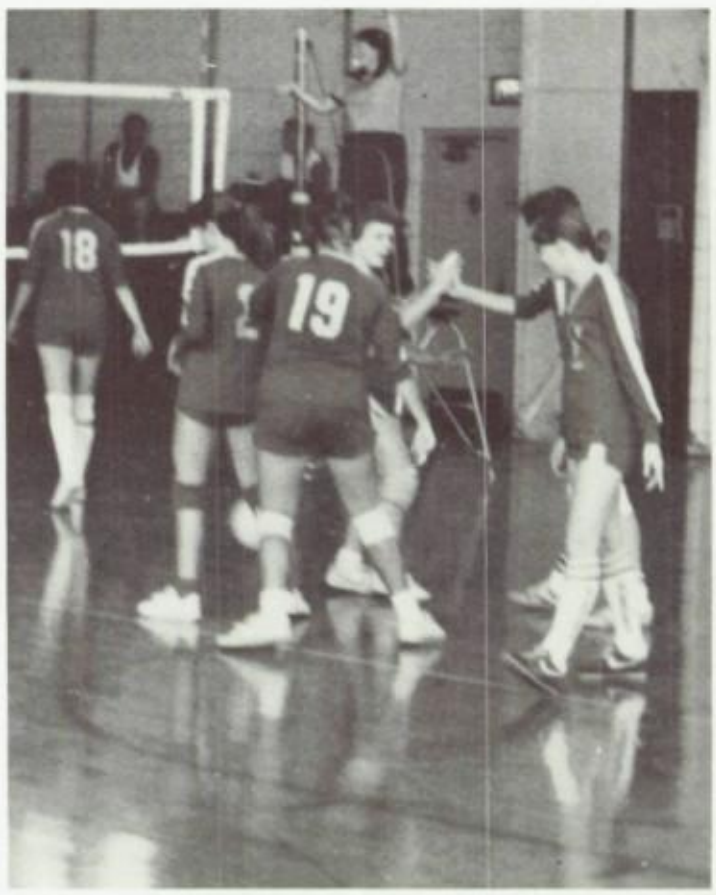
Kennedy High School's girls volleyball team has had a very good season, even though half of the members were new players. The veteran players--Joan Russo, Jennifer Scara, Brandy Lynch, Brenda Martello and Rachael Marrow--have had to cope with the nervousness of the new players. Once the new members were at ease, the team displayed an agressiveness and drive that made them difficult to beat. Joan Russo,t he team captain, and Jennifer Scara were the team's top hitters. The two setters were Rachael Morrow and Mary Jo Munis. With long hours of exhausting practice and with the knowledge, strong discipline and experience of Coach Sims, they had a season with 10 wins and 5 losses, including the playoff game against Schurz. Next year should be even a better year for the team with the new players being able to anticipate what will be happening on the court. All the veteran players will be returning for another season. They will be driving for a championship next year.



Tennis

The 1986 tennis team consisted of 5 boys and 2 girls. The new players on the team were Joe, and John. These players didn't have much experience playing but with Mr. Witkovich's incouragement, guidance and experience, they were able to make great progress.The 1986 team was coed because there were only enough players for one team. The team practiced five days a week either in the Kinzie gym or outside depending on the weather conditions.building a winning tennis team takes dedication and a lot of hard work. Mr. Witkovich expects that the 1987 season will produce a winning team.
